## Haven Caldwell

Current

I asked Haven several additional questions to the information he supplied below in bullet form. His response was: *“The reason I was cut from B-ball was I was short, slow and white. But I could shoot and dribble. A stockbriker is a lot like a stockbroker. I am retired and enjoying every minute of it. I have thought about that first kiss and I think it was **Jeanne Reynolds**. She kissed every boy in 4-AK in Lee Elementary and I think most of the boys in 4-LZ.”*
